Chapter 10: The Neighboring Desk

PE always has one extra...
I'll just stay quiet on the side
Ah- Wait...

Ah~... It's... You were in this class last year...
うーん
I'm sorry, my memory's bad... Um-... Your name was...
That's right!

Nakano! It was Nakano right?
It's Nonaka!!
Nakano! Have you been doing well?
Can't find a partner?
HA
HA

I want to disappear from here...
Still haven't made any friends?
Now that I think about it you were alone last year too...
Last Year
Yes...

Poor you... Well since today there's another person without a partner

Go pair with them

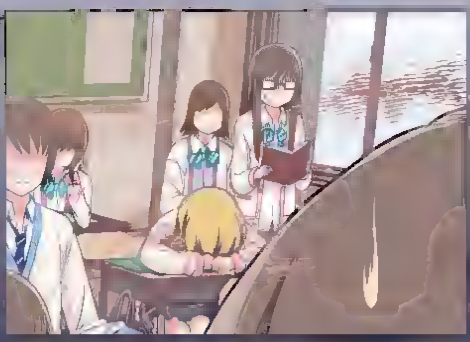
Oi, Shiraishi! Over here

...all right
Today you're going to be with Nakano
Get along
...Eh
??

...ch, What a pain in the ass... That Professor Oak
Pokemon?

Ah~ By the way you...

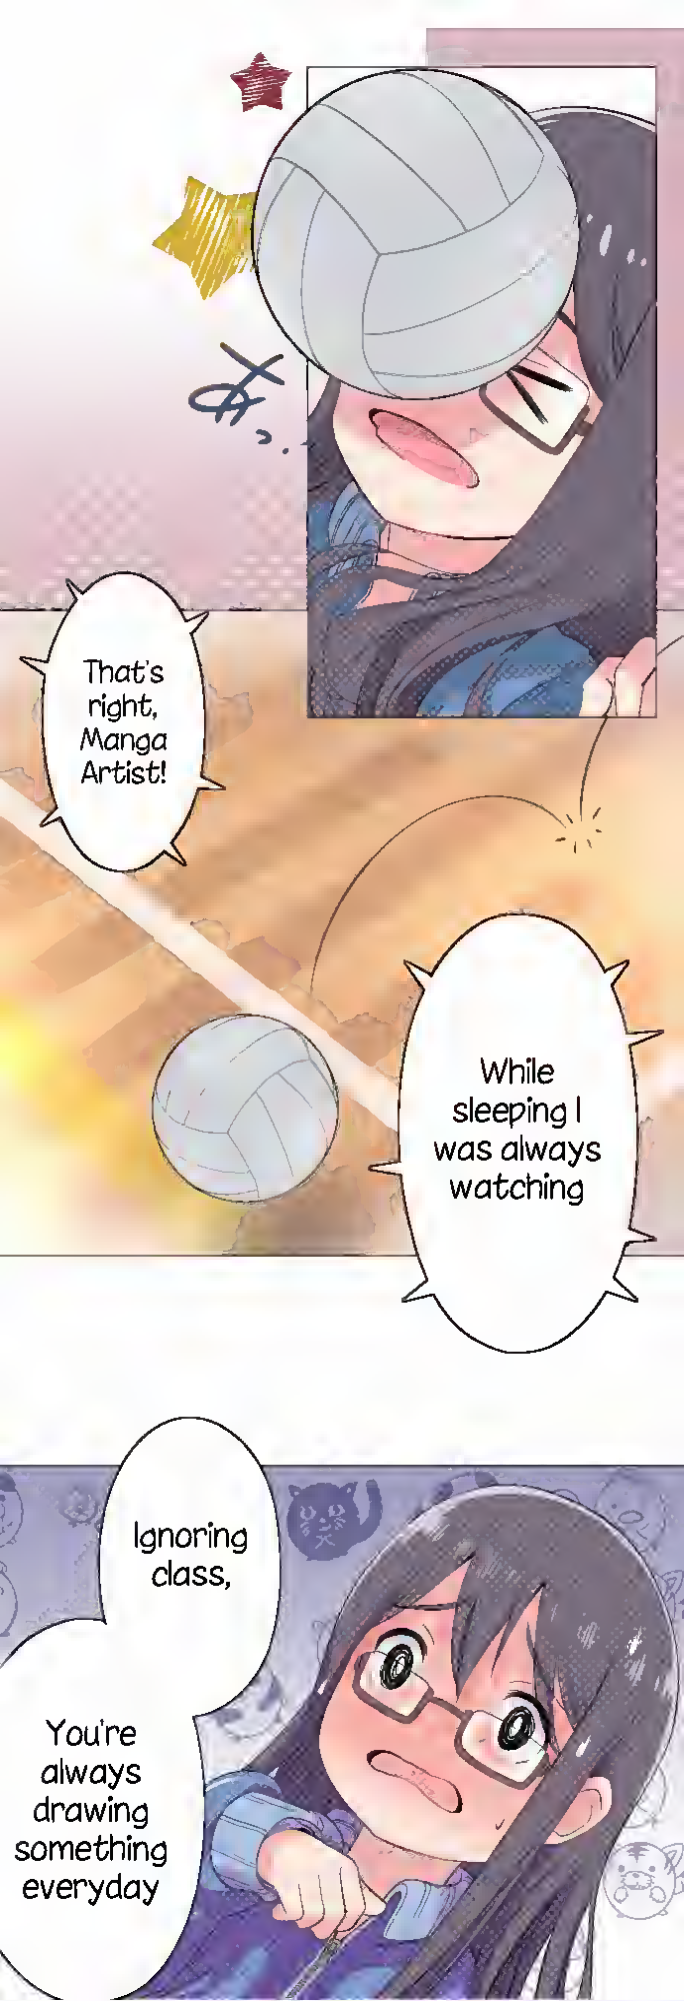
Your name... Isn't it...
It's Nonaka!! The seat next to you!!



Name... That's right!

Manga artist!!

That's a name?!

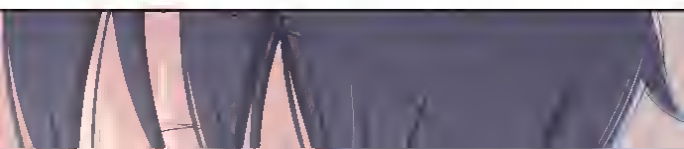


That's right, Manga Artist!
While sleeping I was always watching
Ignoring class,
You're always drawing something everyday

I thought you slacked off a lot
Since your grades fell lower than mine
Ah... no that's...

By the way how'd it go?
Hmm?
Yesterday, were you able to talk with Nonaka?

Ah... A little...
So... Is she coming?
That's...



Actually... The truth is...

There's something I want to show you...

To be Continued.
